EUROPEAN CANCER CARE: ACROSS BORDERS

The ECCO 2019 European Cancer Summit will bring together worldwide leaders from cancer care, research, patient advocacy and public-private sectors in a unique multi-stakeholder forum.

Reaching the 70:35 Vision for cancer – 70% long term survival for all cancer patients across Europe by 2035 – requires breaking down the borders of cancer care: between countries, professions, sectors and stakeholders.

Join us to chart how to make that happen sooner, and be part of the border-breaking community in cancer care!
